**Supreme Court of Appeals.**

This court met yesterday at ten o'clock, with all the judges present, and the following cases were disposed of: Carrio vs. W., C. & P. Railroad Company, writ of error, from Tucker county; submitted.

Brooke, Rogers & Co. vs. Applegate, from Brooke county, appeal allowed; bond \$200.  
Court adjourned till 10 a. m. to-day.

**Fell on a Joist.**

A peculiar accident happened yesterday afternoon at the building being erected at the corner of Thirty-sixth and Jacob streets. John R. Smith, a bricklayer, had finished his dinner and was starting to work. In crossing the joists of the ground floor one foot slipped between the joists, throwing him on his side. Two of his ribs were broken. The patrol wagon was sent for, and Smith was taken to Mrs. Carroll's boarding house, on Market street, above Eleventh.

**An Interesting Sale.**

At 10 o'clock this morning at W. H. Haller's auction room, on the Upper Market square, the sale of unclaimed express packages will open. The packages are just as they were shipped, and those who purchase bid on a "pig in a poke." Sometimes a man gets a big bargain, and other times a tempting looking parcel is bid up to a good figure and proves to be a lot of patent medicine liniments. The packages are those that have accumulated in every office in West Virginia in the past three years, and it may be expected that they represent a wide range of articles.

**Came Near Drowning.**

About 6 o'clock last evening a man under the influence of intoxicants was walking near the Whitaker mill on the creek bank, when he fell into the creek. He was fished out unconscious, and apparently drowned, but Dr. Taylor and the police worked with him until they got the water out of him and restored him to consciousness, and he went home not much the worse for his experience. His name is Paul Glesner, and he is employed at the city gas works. His escape from death was about as close as it could be.

**Wet-Byrne.**

James J. Weir, the well known boiler at the Upper Riverside mill, was married yesterday to Miss Sarah E. Byrne, daughter of James Byrne, Esq. Rev. Father McElligott officiated at the ceremony and nuptial mass. The attendants were Mr. Lawrence Mechen and Miss Kate Heil. After the ceremony all partook of the wedding breakfast at the home of the bride, on Eoff street. A number of handsome presents were received by the happy couple. The bride and groom will go to house-keeping at the corner of Twenty-Seventh and Woods streets.

**Police Pickups.**

There was only one case in the police court yesterday, that of the vagrant, James Robinson, discharged by the Mayor Monday morning on condition that he leave the city at once, and re-arrested by Officer Buch in the afternoon for begging in East Wheeling. He was given fifteen days on the hill this time.

Officer Heil yesterday arrested J. J. Juergens for disorderly conduct in the Sixth ward, and he was hauled in the patrol wagon. This was all the case in yesterday afternoon.

Louis Selig was also run in by Officer Herbert for disorder, and C. Wright a little later. They were fighting in the market house.

John Elwoff was run in by Officer Devlin for disorder in the Eighth ward.

**Progress.**

It is very important in this age of vast material progress that a remedy be pleasing to the taste and to the eye, easily taken, acceptable to the stomach and healthy in its nature and effects. Possessing these qualities, Syrup of Figs is the one perfect laxative and most gentle diuretic known.

**A Dainty Bite.**

Do you like a dainty cracker? Of course you do. Every body does. You'll find it in Marvin's Reception Flakes. They are new, crisp, delightful. Your grocer keeps them. Give them a trial.

**THE ANNUAL ASSESSMENT.**

Assessing, Completion and will show a gratifying increase.  
County Assessor Blanchard, who has the district known as the city district, and which comprises all the city but Ritchie district, has completed his work and figured up the result, and though Assessor Zane, who has the country district, has not finished, it is apparent that the total is going to show a decided increase in taxable values. The real estate books have also been completed, and add to the increase.  
From Mr. Blanchard's books the following interesting figures are taken:

	Capitations.	Colored males.	Total amount of personal property.
Washington	1,064	1	\$208,570

The total increase over the returns of last year in real estate and personal property is about \$400,000, although the exact figures cannot be given until Assessor Zane makes his report.

**BRAXTON COUNTY MOVING.**

The Iron Horse has invaded Sutton and the County Seat is Responding Actively.

Mr. L. M. Wade arrived in the city last night, accompanied by Mr. J. S. Hyer. Both of these gentlemen are well known citizens of Braxton and left Sutton on Monday on the first train from that place over the railroad. Mr. Wade says that Braxton folk are not quite accustomed to coming to Wheeling all the way by rail, but they expect to come that way often enough to get used to it. In answer to questions by the INTELLIGENCER reporter Mr. Wade said:

"There has been great activity in our county within the past three years. Land values doubled in some cases more than trebled. This is on account of the attention attracted to the State and the increasing certainty of the railroad. In our town of Sutton there has been a still greater increase. It is very marked within the past two months. There has been an increase in town lot values of about one-third. There is to be a \$50,000 hotel built there at once.

"Business is active and our merchants are in a healthy condition. You see we have a large country to draw on, and the railroad is bringing us a new trade. At this time there are about 1,000 railroad laborers in the county, and these must be supplied in addition to the normal demand. The railroad is pushing right on to the mouth of Williams river. Then work is going on between Sutton and Weston to straighten out some of the crooked places that should not have been made in the first place. It was seen to be cheaper to straighten the road than to operate the unnecessary curves. As soon as the line gets in working order clear through we shall have a fine equipment of handsome new cars.

"Yes, there is activity all along the line of the road, and buyers are looking for the timber and coal lands they hear about. The Boom INTELLIGENCER, by the way, will give us a new impetus. It was a splendid paper, and the further it goes the more good it will do the State. I wish you could repeat it once a month."

**OLD SOLDIER CURED**

Of Eczema by One Set Cuticura, After Using Many Medicines Without Relief.

"Although I have very little faith in patent medicines, I bought one half-dozen bottles Sarsaparilla for eczema or prurigo. Nothing gave me relief; and having served a number of years in the Regular Army, which entitles me to the Soldier's Home at Washington, I went there, and there I came across your valuable CUTICURA Remedies. I bought a box of CUTICURA, a cake of CUTICURA SOAP, and a bottle of CUTICURA RESOLVENT, and after taking them, and following the directions to the letter, I feel and look as well as a new-born baby by a healthy mother. I do not exaggerate it one bit when I say they have been worth to me their weight in gold."  
C. FRED BLUM,  
No. 622 Penn. Ave., N. W., Washington, D. C.

**BOILS ALL OVER BODY.**

My son was afflicted with skin disease, itching and breaking out in large boils all over his body. We tried everything else, but all of no effect. After using two bottles of the CUTICURA RESOLVENT, and one box of the CUTICURA, he was completely restored to health again. It is a good medicine which I would recommend to every one similarly afflicted.
